Dear Bill:

Please send me the St. Stephens Steam  
Boat Company \$5 note from Alabama.

It would interest you to know that  
the items Nos. 30 and 31 which you have listed  
under Indiana, are actually Pennsylvania.

You certainly have a nice list of  
bank notes and I hope you are very successful  
in the coin business.

Sincerely yours,

ERIC P. NEWMAN

Hello Eric,

Sorry but the St Stephens Steam Boat Co. Note was one of the first to go. You are right on the Indiana listing #30,31. This is a good example of haste. If you could send me a list of the type of material you are looking for I will be happy to send anything I pick up on a proval before I put the on a printed list.

The notes have been going much better than I expected so you can be sure that I will be getting into them heavy. I no longer collect so I won't cream any notes before I sell them.

Will you be in for ANA? If so I'll buy a round.

Hope to see you in August

yours numismatically
